

## **SCFD Inclusiveness Statement<sup>1</sup>**

The Scientific and Cultural Facilities District values the diversity of its board members, employees, applicants, volunteers and citizens of the District. Differences in age, race, ethnic heritage, religion, appearance, sexual orientation or other distinguishing factors provide rich experiences, viewpoints and ideas that can strengthen and enrich SCFD's work and the communities comprising the District. It is the District's goal to create and maintain an environment that is inclusive, respectful and equitable, and to engage the talents of those with different backgrounds, experiences and perspectives to accomplish the mission of the SCFD.
