

SCFD Nondiscrimination Policy

The Scientific & Cultural Facilities District does not discriminate against any person or organization based on age, race, sex, color, creed, religion, national origin, sexual orientation, transgender status, gender identity, gender expression, ancestry, marital status, gender, veteran status, political service, affiliation or disability.

As a condition of eligibility, the SCFD requires all Tier I, II and III eligible organizations to have nondiscrimination policies inclusive of these categories. Due to their authority for making funding decisions, individual County Cultural Council members are required to sign an annual statement of compliance with this nondiscrimination policy.
